

Calling all golfers!

On behalf of Sturges-Young Civic Center & Auditorium and Sturgis Council of the Arts we cordially invite you to the 2nd Pro-Am Golf tournament Fundraising Event, June 28, 2013 at Klinger Lake Country Club.

As a way to give the “Crown Jewel of the Community” the help she needs, proceeds from the event will be put towards a new and updated Sound System in the Auditorium.

Please put us on your calendar for a great day of fun, entertainment and a great way to support an asset to the community.

Thank you for your support.
